—The republican meeting held in Duffie's hall last Thursday evening was not very well attended, there being only nineteen persons present of which were nine greenbacks, eight republicans and two democrats.

—Jas Wrath was seen on the street this morning feeling as happy as a bee on a big sunflower. We understand that the cause of his happiness was a

boy who came to his house to stay. Jim says he has a young ox teamster now.

—In the premium list in last week's issue there was a mistake in regard to H. Sherman getting 1st premium and Bartlett & Vanderlip 2nd on col of headstones. It should have been H. Sherman diploma and Bartlett & Vanderlip 1st prize.

We should judge this to be an extraordinary yield. If there is any one who can beat this list we hear from them.

—The time table of the Almont branch to the Pt Huron & Northwestern R. R. is out and one train run over the road daily from Memphis to Pt Huron and return. The train leaves Memphis at 6:45 a. m. arriving at Pt Huron at 8:15 a. m. leaves Pt Huron at 5:30 p. m. arriving at Memphis 6:30 p. m. Pt Huron time.

MR EDITOR—In reply to the gentleman that informed you in regard to my going into the masonry business, would say I thank him for his compliment and will highly esteem him as a friend hereafter, if he will please face the south while passing my place so he won't blow the little houses away as he did the little Browns. CARSON.

—A lively runaway occurred in town last Thursday. It seems the team hitched to a light wagon were standing in front of D. Sexton's and catching sight of the dead carcass of Griswold's tame bear lying at the side of the building took fright and ran down main street until they got in front of the Rapley House where they struck a lumber wagon demolishing the rig and breaking the king bolt leaving the rig behind. They were stopped at Barrett's corner one mile from here. The owner of the team is Mr Rankin.

—The EXPOSITOR tells me that I have taken two first prizes on my squash at Brockway Centre's first fair. I willingly donate the prizes to the society and consider the honor of taking a prize at the first annual fair of the Brockway Centre Agricultural Society, even on a squash, amply rewards me or any other person who has been so fortunate. PETER HICKLEY.

If others would do as Pete has done, it would be an encouragement to the Society. The sum is small but every little helps and would go a great way in fixing up the fair grounds and getting other necessities to make the fair a success another year.—[Ed.]

—Conductor Doolittle, who was injured by the collision on the Pt H. & N. W. R. R., died at Mayville, Monday evening. After he recovered from the first shock, which lasted about four days, he began to improve and continued to do well until about ten days ago, when his condition became serious on account of the severe hemorrhage of the right leg. On Monday Dr. C. M. Stockwell and Dr. D. Arey made an examination and discovered an aneurism involving two arteries, which necessitated the amputation of the right foot. The operation was performed at 2:30 o'clock, but Mr Doolittle gradually failed and died a few minutes before six o'clock.

—The following, in regard to the rumor of the shooting of a young lady by her lover at Marlette, we clip from the Leader: "The village was turned into a fever of excitement on Wednesday evening about 6:30 by the report that a young lady employed in the family of C. M. Havens as a domestic, named Ella Graves, had been shot by Timothy Sullivan, of Maple Valley. It was claimed by some that a pistol shot was distinctly heard, while others living across the street claim they heard nothing unusual. The theory now advanced is that the young lady was attacked with fits, one being subject to them, and while in this condition fell, probably striking her head on the stove, and inflicting a slight scalp wound. Sullivan is township clerk of Maple Valley, having been re-elected several times, and bears a good name at Valley Centre, his home; but it is said when away from home at times takes his "budge" quite freely. He was detained by the officers Wednesday night, and released Thursday morning. The woman is said to have been engaged to be married to Sullivan, and the fact of his being in her company but a short time before the accident probably led to the above wild rumor."
